

Important High School Update

What: Planning Commission Hearing
Where: Gladstone City Hall
When: Tuesday, March 20, 2007 7PM

A public hearing regarding our proposed addition of modular classroom buildings, and additional students will be held before the Gladstone Planning Commission this coming Tuesday, March 20, 2007. The meeting will begin at 7PM at Gladstone City Hall.

Interested parents are invited to attend. Also, any Gladstone resident that wishes to comment on our proposal may do so during the meeting. The meeting room holds approximately 75 people, so space should not be an issue.

We have received the staff report and recommendations regarding our proposal. The report is generally favorable, and recommends approval subject to twelve conditions. We plan to request modification of a few conditions, so please continue to pray for favorable rulings from those in authority.
